Fee Guide: What Tier is Right for Me?

A Little Feather charges for time spent completing each project at the below hourly rates. Please choose the tier that works best and feels right for you. You can adjust tiers at the start of any month.

Tier 1

\$65/hr

Tier 1 is a discounted rate that may work best for you if:

- Your project or business is a new endeavor
- Your income is not always consistent
- You have one or more people who financially rely on you (employees, children, loved ones)
- You have medical expenses not covered by insurance
- You are working to pay off debt
- You have recently faced unforeseen expenses
- You are a student
- You manage discrimination due to age, class, gender, education level, race, religion, sexual orientation, appearance, etc.

Tier 2

\$85/hr

Tier 2 is a market-value rate that may be right for you if:

- You identify somewhere between Tier 1 and Tier 3
- You have consistent income
- You are successfully paying down debt
- Your business is established
- You are able to sometimes travel recreationally
- You are able to spend money on hobbies and personal interests

Tier 3

\$105/hr

Tier 3 helps support those paying a discounted rate. This Tier may be right for you if:

- You own your home
- You travel for pleasure somewhat frequently
- You do not have a lot of debt, if any
- You have investments, retirement accounts, or inherited money
- You work part-time by choice
- You experience privilege due to age, class, gender, education level, race, appearance, etc.
